About Sundar Pichai

- Pichai Sundararajan is a 52 year young techie from Tamil Nadu.
- He was born on June 10, 1972 in Madurai.
- Pichai completed schooling in Jawahar Navodaya Vidyalaya, a Central Board of Secondary Education school in Ashok Nagar.
- He earned his degree from IIT Kharagpur in metallurgical engineering.

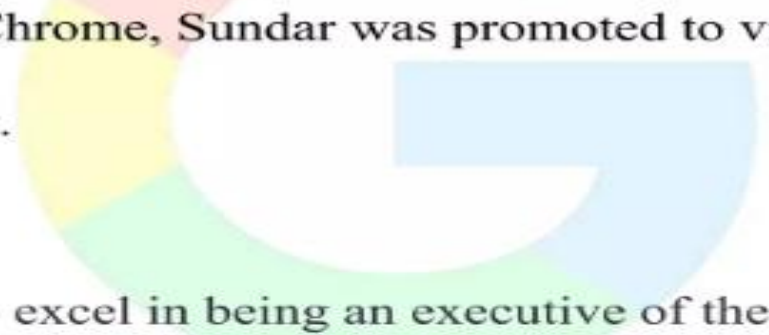

Career

- He worked in engineering and product management at Applied Materials.
- Pichai joined Google in 2004, where he led the product management.
- He went on to oversee the development of applications such as Gmail and Google Maps.
- On March 13, 2013, Pichai added Android to the list of Google products.

- Pichai had already made his mark as a director of product management for an obscure but important weapon in the company's Google toolbar.
- Pichai worked hard developing Google's chrome operative system for laptops which can store data.

- 
- A large, stylized, multi-colored letter 'G' is positioned in the background of the text area. It is composed of several segments in shades of pink, yellow, green, and blue, arranged in a circular pattern around the letter's center.
- After the launch of Chrome, Sundar was promoted to vice president and later senior president.
 - Later, he managed to excel in being an executive of the world's biggest company.

- In 2014, Pichai was touted as a possible CEO for Microsoft.
- But at last, he was granted with large financial packages to remain with google.
- He was known for negotiating Google's \$3.2 billion deal to acquire Nest Labs in 2014.

- Authentic leadership of Sundar Pichai manifested through developing trustworthy relations with the staff and shareholders.
- It is observed in the his strong motivation to ensure financial prosperity of the headed company.
- Pichai is extremely result-oriented, which led him to the position of the executive manager of largest company in the world.

- Google cofounder Larry Page and Sergey Brin announced the creation of Alphabet Inc. in August 2015.
- It came as no surprise to industry insiders that Pichai was named as the CEO of Google.
- In December 2019, he was also named as the CEO of Alphabet replacing Page, who stepped down.

LEADERSHIP QUALITIES

- Pichai is a leader who believes in empowering people.
- His major leadership quality described him as “Do not only see you success, but also focus on the success of others and the team in the company.

ACHIEVEMENTS

- He was a silver-medalist in IIT-Kharagpur.
- Siebel scholar at the University of Pennsylvania.
- Creation of Google Drive, Gmail app and Google Video Codec.
- Efforts on chrome OS and Android applications added the most prestigious feather to his cap

MORE ABOUT PICHAI

- He is like the Tim cook to Apple's Steve Jobs.
- Not a man with creative vision about how the company will change the world, but one who knows how to lead.
- Pichai was poached by Microsoft and Twitter to be the CEO.
